- d. The pet owner will submit the registration form and provide the additional information when registering:
 - e. Name, address, home, and duty phone numbers of an individual who has agreed to make decisions for medical treatment, financial responsibility and to take custody of the pet in the event circumstances dictate removal from the kennel. Unit sponsor contact information is required if registering for pet owner.
3. Fees and charges: Daily fees are 250 for toy breeds, 350 for medium breed dogs sharing and 450 for large breeds.
 4. **The registration form and boarding deposit must be submitted 5 days before boarding. The deposit will be refunded if the reservation is cancelled within 3 days of boarding. Boarding without reservations will only be accepted on space availability*** form of Payment: Cash .
 5. Union or Local Bank Check.
 6. Wait List. If kennel space is not available for a projected reservation date, owners may be placed on a waiting list.
 7. If an animal becomes sick or injured while being boarded, the owner/guardian will be responsible to pick up their animal and take them to a Veterinary Clinic for treatment. Treatment will not be provided at the boarding kennel.
 8. Personal pet items and food. Owners may opt to bring in their personal pet items, such as toys, chews, bedding, pillow, etc.

However, the items will be allowed at the discretion of the kennel personnel. Food will be provided, however, the owners may bring in their own food in a large, heavy duty, plastic container with a lid, if their pet is on a special Diet”. Ensure the owner's and pet's name is on the food container. **Kennel personnel will not be responsible for personal items.**

Release Statement

1. In order to limit the potential exposure of boarded pets to infectious diseases, only those pets determined to be in good health can be accepted for boarding. Dogs must have had an adequate puppy vaccination series plus current rabies DA2PPL vaccination must be current within 12 months.
2. Personal articles to be left with pets must be approved by Kennel personnel. Collars, with tags affixed must accompany your dog to ensure proper identification. Owners with dogs on heartworm prevention are requested to bring the medication to the boarding facility the day of boarding. Owner must furnish any special diet or heartworm preventative.
3. By my signature hereon, I state that I have read and understand all Kennel boarding rules
4. My pet is/is not on medication and does not have major medical problems.
5. If 666kennel needs to take pet to vet in an emergency situation, then owner will be responsible for bill at pick up.
6. Subject to Bangalore jurisdiction only.
